Every year it welcomes a number of exchange students from different parts of the world. They can choose variety of the courses taught in English and covering different aspects of business management, economics and marketing.

BRATISLAVA

Bratislava is located on the Danube River nearby Vienna, the international transportation hub which makes the city very convenient to access. Bratislava provides facilities for rich cultural and social life, and exploring historical roots of emerging central Europe. It has recently become attractive for visitors due to its boost in the development of social and trade facilities and sport events. Its unique history, attractive sights, rich cultural life, excellent local gastronomy, and modern shopping centers make Bratislava an ideal city-break destination.
